Minister's Gleamings

Amazing Acts.....

Last night I found myself caught up in the finals of "America's Got Talent." The 4 finalists were amateurs, none of whom had ever performed on a stage such as the one that had hypnotized the millions of Americans who were glued to their televisions. The four that were left were; Prince Poppycock- a flamboyant but immensely talented singer, actor, set and costume designer and choreographer; Michael Grimm- an exceptional singer and guitarist from the back woods of the South; Jackie Evancho- an amazing 10 year old opera singer and finally - Defying Gravity, group of college students who utilized their technical skills in creating marvelous special effects to a musical theme.

All of these folks should have won. Yet there could only be one winner, one champion, who would take home the million bucks and headline in a show in Las Vegas. I thought about each of

the individual talents that were displayed, the effort that had gone into every second of their respective acts and the teamwork that was required by all involved; from the judges to the stage hands, lighting people, camera operators; videographers, message takers, water bearers and carpet sweepers. Each contribution culminated in an astounding result that came across as smoothly as glass.

Although our stage is not as large and viewers few, our services could not go on without those who work behind the scenes before the show goes on; to choose and rehearse the music, tune the piano, check the sound system, plan the children's activities, set up the chancel, run off the order of service, check the lights and heat, put on the coffee, vacuum the carpet, bring the flowers, and welcome those who come through our doors.

We may not be a Las Vegas act, but, because of each and everyone who takes part in *enhancing the life of our congregation in any way, our teams are most certainly top of the line winners!*

Thank you all and see you in church!

Sincerely, Holly

WHY TRY YOGA?

The simple answer is because it is good for you. If you're interested in reducing stress, becoming less stiff, feeling better in your body, sleeping better and lowering blood pressure, increasing mobility or if you're just tired of feeling bad then this class is worth trying.

Yoga is often taught as a workout. Our classes follow the classical approach not like found in a gym. The classes offered here at the church are more about the experience than the work. Led in such a way that anyone with any body can find what they are looking for. We teach you how to breathe, meditate, stretch and relax. The classes are appropriate for any age (10 to 99) or level of ability (in a chair or on the floor). The most common reason for not doing yoga is the one you are thinking - don't talk yourself out of trying it for yourself! Please come give this a try, you have nothing to lose.

FROM ME TO UU! REACHING IN AND REACHING OUT WITH OUR UU FAITH

Youth Religious Education News

Not Just Milk and Cookies

Welcome to all children, teens, and families! The YRE Committee is looking forward to an exciting year as we explore this year's theme: "Where Do UU Come From?" The traditions that we share as Unitarian Universalists draw on five different sources; this year's theme will allow families to become familiar with the Jewish and Christian teachings which call us to respond to God's love by loving our neighbors as ourselves, as well as Words and deeds of prophetic women and men. . . [about] the transforming power of love. The curricula we will be using are Special Times, Timeless Themes, and Neighboring Faiths. Please feel free to look for more information on our church's website under Youth Programs.

Our calendar for the year is already becoming quite full with many exciting activities. We already enjoyed our annual YRE Welcoming Party with interactive games that allowed us to get to know one another, share spiritual focus time, and of course, enjoy ice cream sundaes! Here is a sampling of what is yet to come during October:

- ▶ Oct. 3: Youth Group Pizza party with May Memorial youth
- ▶ Oct. 10: Louder Than Words social action project for grades K - 8
- ▶ Oct. 30: Combined Halloween Party with May Memorial, for all ages children and adults

We will also be participating in Guest At Your Table activities during November, and have a fun Hannukah celebration in the works.

YRE classes for Session 1 will be: Sept. 26, Oct. 3, Oct. 17, Oct. 24, Oct. 31, and Nov. 6. Our Nursery is open every Sunday from 10:15 – Noon. The Youth Group meets almost every Sunday from 10:30 – Noon, but the Teen Room is open at 10:00 a.m. for socializing.

The YRE Committee this year is a group of dedicated volunteers; please thank these folks when you see them for moving our YRE Program forward: Claudia Klaver (Chair), Diana Bellini (Board liaison), Marcia Tupper, Karen Bowman, Jennifer Bowman (Nursery coordinator), Karen Palumbo, and Peri Nelson. Beth Scott is also serving as Acting DRE for a period of time until we can locate someone to fill this position.

News From The Membership Committee

THIS YEAR'S FIRST COFFEE AND CONVERSATION WILL BE HELD OCT. 10, RIGHT AFTER THE SERVICE. This 45 minute session allows newcomers to learn more about UUism in general and FUUSS in particular from members of the Membership Committee, Board of Trustees, and Rev. Holly (schedule permitting). Stop by the Newcomer's Table for more information.

WE NEED A FEW GOOD MEN(MBERS): Help with the Newcomer's Table on Sundays would be most welcome. It's easy and we will be there to "mentor" you for your initial time of duty. Contact Chairman Randy Kalish if interested: Randykalish7@gmail.com

NEW NAMETAGS: Rebecca Karpoff spent all her free time this summer revising our nametags. It is easier to see each other's first names and perchance it will be easier to start a conversation with someone you don't know well. To foster a sense of community, it is crucial that nametags be worn.

NEWCOMER NAMETAGS: In a similar vein, we make every attempt to give newcomers a special blue nametag. It is especially important for members to introduce themselves to newcomers and make them feel welcome.

The Green Corner

We Eat Well!

Eighteen shares of wonderful fresh organic produce arrive at First UU every Tuesday from Grindstone Farm as part of the local Community Supported Agriculture program. An attractive sign informs everyone that this project is sponsored by First UU's Green Sanctuary. The CSA Fall dinner will be held at First UU on October 24th at 5 p.m.

Check out the exciting daylong event at May Memorial, sponsored by the St. Lawrence Social Justice Council with the UUA Ministry for the Earth, with the support of the First UU Green Sanctuary Program.

St. Lawrence District Annual Social Justice Conference

October 30, 2010, 9:00 am – 4:00 pm

Spinning the Interdependent Web: Eco-Justice and Unitarian Universalism at May Memorial Unitarian Universalist Society

This year the SLD Social Justice Council is partnering with the UU Ministry for Earth to explore the intersection between UU's traditional social activism to achieve a more just society and the Green Sanctuary movement's efforts to ameliorate our ecological impact on our Earth home. It has become increasingly evident that threats to the environment are threats to the principles of justice and compassion that form the very basis of our core values. Four workshops will focus on examples of the convergence between the objectives of Social Justice and Ministry for Earth.

Spinning the Interdependent Web: Eco-Justice and Unitarian Universalism

Keynote address is by Rev. Kate Braestrup, that wonderful minister and UU chaplain to the Maine Warden Service and an award-winning author. This daylong event is sponsored by the St. Lawrence Social Justice Council with the UUA Ministry for the Earth. First UU's Green Sanctuary team will serve a continental breakfast followed by an inspirational worship service & keynote address. The remainder of the day will focus on local action plans and workshops. Lunch will be served. We are most fortunate to have this event occur in our town! See you there! Teens, you are especially invited as the future is yours!

To attend, contact Dick Gilbert at Rsgilbert@uuma.org OR Harsey Leonard at harsey.leonard@Verizon.net

Worship Service and Music Committee

Did you know we have combined forces? Peg Flanders and Jerry Trexler, Co-Chairs, will work with Rebecca Karpoff, Music Director, to provide lay leader services on specific dates and music every Sunday! Some of our Sunday themes for the year are aspects of the UU Covenant and the Living Tradition. We invite your interest and queries.
